

## Principal's Message

Mr. Taylor Gerhardt

Welcome to the South Buffalo Charter School website! My name is Taylor Gerhardt and I am proud to serve as Principal to the students and families of South Buffalo Charter School. I am excited to have you visit and hope that you find our site informative. SBCS is located in South Buffalo at 2219 South Park Ave. and serves children in kindergarten through eighth grade. The staff at South Buffalo Charter School is a caring and dedicated group of educators that are committed to providing multiple learning opportunities to our students. We are all learners here at SBCS and constantly work as a learning community to improve ourselves as professionals and students. Our students benefit from an education that is focused on high standards and meeting individual learning needs. There are countless avenues of learning intervention and enrichment available to our students. We also strive to provide a safe environment that stems from high expectations for behavior through accountability and an involved character education program. Parent engagement is very important to us and we continuously work to find new and innovative ways to draw from our most important of resources...parents. Please feel free to contact me and the school with any questions. Thank you for visiting the South Buffalo Charter School website!
